Professional and Industry Experience

Dr. Daniel N. Erasmus focuses on tax controversy with a general emphasis on complex domestic and international issues and a particular emphasis on transfer pricing issues.

His transfer pricing experience includes extensive involvement with the identification, valuation, and movement of intangible property in a variety of industries. His more than 28 years' experience includes all aspects of income tax planning, Revenue Service administrative proceedings, and tax litigation. Daniel holds a PhD in tax and Constitutional law, is an international tax adjunct professor, and author of numerous tax textbooks.
