Summary

Mark Korten has practised as an attorney of the High Court of South Africa in the Division of the Northern Provinces for over 22 years.

Mark has over 25 years of experience specialising in tax and commercial law. He has extensive experience in the consideration, negotiation, structuring and drafting of various commercial transactions, including mergers, acquisitions, corporate restructuring, service agreements, leases, shareholders agreements, the establishment of various legal vehicles such as companies (including various types of companies in numerous jurisdictions such as Isle of Man, Jersey, Guernsey, Monaco, Cook Islands, Malta, Cyprus, Dubai, Hong Kong, Barbados, Liechtenstein, Mauritius, Seychelles, British Virgin Islands and the State of Delaware, USA), local and offshore trusts and hybrid partnership vehicles. Mark's specialisation in tax law relates to local and international estate planning, the international tax consequences of and South African exchange control issues relating to cross border transactions and international group structures, as well as tax experience relating to all types of transactions involving tax law in South Africa, including income tax, value-added tax, capital gains tax, dividend tax, withholding taxes and the use of international double taxation treaties in tax planning.
