**Summary**

25 years in tax practice working at PwC, Ensafrica and Baker McKenzie I  
Member of SAICA's Transfer Pricing Sub Committee.

Okkie focuses on the tax structuring of international transactions and groups, transfer pricing planning and risk analysis for multi-national corporations with a general emphasis on complex domestic and international tax and exchange control issues, in South Africa as well as on the African continent.

His more than 25 years' experience includes all aspects of income tax planning. Okkie is a qualified CA(SA) with a Diploma in Taxation from the University of South Africa and has worked within the legal environment for over 15 years, gaining valuable experience on the legal issue to consider when doing international tax structuring, transfer pricing and controversy management.
