Summary

Solomon also has over 10 years of experience in Transfer Pricing and Tax Advisory offering services at a senior level in a number of countries in Africa. He is a leading expert in comparability studies and transfers pricing databases. Solomon has also experience in tax restructuring, mergers and acquisitions, business setups and structuring, offshore entity setups, tax reviews and Value Added Tax (VAT) refund audits.

He has vast experience working with revenue authorities, government agencies and major players in key industries in the countries that he has worked in. These include oil and gas, tourism, manufacturing, banking, telecommunication, shipping and logistics, and agriculture among others.

One of his key achievements includes establishing new relationships and revenue streams with over 18 Governments and Revenue Authorities in Africa and all the big 4 audit firms Solomon has been involved in transfer pricing policy documentation for multinational enterprises and national enterprises in countries like Kenya, Uganda, Ghana, Rwanda and Nigeria. He has advised multinational enterprises on the domestication of their global transfer pricing policies in line with the local jurisdictions' transfer pricing regulations.
